Using the diagram below, mark the areas of your body where you currently feel pain or other abnormal sensation. Also indicate where your pain travels (if appropriate). You can also write notes next to your markings if a description would be helpful. Then, please answer the questions to the right by circling the number that best represents your pain, where **1 is no pain** and **10 is pain as bad as you can imagine** (describe if your pain is sharp, achey, stiff, sore, numb, tingling or a combination).
